**Subject:** RE: Due COB 4/26 IOGCC Briefing Book  
**Attachments:** Draft - Oil and Natural Gas Issue Paper for IOGCC Business Meeting (Spring 2018).docx

All

Attached in Word is the draft briefing book Jim Kenney sent Deb. The link in the email Deb sent last night won't bring up the draft doc.

Jim is asking for us to update the R8 topics in preparation for the next Interstate Oil and Gas Compact Commission (IOGCC) Business Meeting, May 6 to May 8, 2018.

The R8 topics are listed in Deb's email below. As Deb notes, I will compile the R8 updates you send me into the SharePoint version of the draft briefing book and I need to have this done by COB Thursday.

Thanks

Carl Daly, Deputy Assistant Regional Administrator  
Office of Partnerships and Regulatory Assistance  
EPA, Region 8  
303-312-6416

**Subject:** Due COB 4/26 IOGCC Briefing Book  
**Importance:** High

Jim Kenney is currently working with the EPA Unconventional Oil & Gas (UOG) Team to update the IOGCC briefing book for the annual IOG Meeting to be held May 6-8. With Cindy Beeler's transition to ECEJ, Region 8 does not have a representative on the UOG group so Jim reached out to me to help with the R8 issues. Since I am going to be on leave I reached out to Carl Daly for help. A big thanks to Carl for agreeing to be the point of contact for this task. Please review the attached material and provide edits to Carl by COB Wednesday. He will work with Jim Kenney to get the briefing book updated by COB Thursday.

The attached document includes the following R8 topics:

North Dakota: SDWA UIC Class VI (Geologic Sequestration of CO2) Program Primacy

Utah/U&O Reservation: Coordination of CAA Federal Implementation Plan (FIP) for Oil and Natural Gas Sources

Region 8: Correspondence with Colorado/North Dakota Oil and Natural Gas Associations Regarding Federal Enforcement Activities

Region 8: CAA Permitting and Oversight

Region 8: Indian Country Direct Implementation - CAA Permitting and Oversight
